

Dale City Baptist Early Learning Program

April 2008

2007 - 2008 School Year

Note from the Office

Spring is finally here! What a wonderful time of year as flowers bloom and the world seems to come alive again. The children will be observing these things and talking about them in class along with many other exciting activities that celebrate spring and the nature around us.

With the warmer weather, the children are already getting out on the playground more often. Please remember to dress them appropriately as they will be outside most days. Shoes they can play in and a coat or jacket are very important so that they can make the most of their time outside. It's a good opportunity to explore all the interesting things to be found outside this time of year.

Mark your calendars for our spring program on the 21st! The children have been practicing hard and are ready to share what they've learned with you. We will be spending extra time this

month preparing for the program as well, so make sure you are here to support our children. We will have Miss Cathy's Productions here on the 28th for interactive stories. Your children will be the characters. Also, don't forget that there is **no school on the 14th** because of a county workday.

We are still registering for the 2008-2009 school year. If you plan for your child to return next year, please register as soon as possible. Classes often fill up quickly in the spring and early summer.

Remember, if you have any questions, please call or stop in the office. Ms. Tina and I will do our best to help you in any way we can. We can be reached at 703-670-9234.

In Christ's Service,

Robin Gray

Important Information

COLOR: Yellow SHAPE: Star

**Yellow Day is Wednesday,
April, 30th 2008**

To reinforce the color Yellow,
please have your child wear
something Yellow.

Please remember to write
your child's *full name* on
their tuition check. It makes
it easier to log the payments
to the correct account.

Thank you!
